

FAMILY ACCESS NETWORK INC

Family Access Network is committed to providing a child safe environment

POSITION: Volunteer Mentor

REPORTS TO: The Co-ordinator, Volunteer Program

ORGANISATIONAL CONTEXT:

Family Access Network's (FAN) vision is for a community which acknowledges and values the dignity and worth of all citizens and enables individuals to deal positively with adverse situations in their lives. We contribute to this vision by providing support for homeless young people, including those pregnant and/or parenting and couples and accompanying children, in the form of access to accommodation options enabling them to achieve stability and empowerment to full independence.

FAN's Homeless Support Services (HSS) provides support to young people between the ages of 15-25 who are homeless or at risk of homelessness. The client group consists of single young people, young pregnant and parenting women and young families and accompanying children. The Program is funded by Department of Human Services (DHS).

As part of HSS and through the recent Youth Homelessness Action Plan 2 (YHAP2) Initiative funding, FAN has established a Private Rental Brokerage Program to assist and equip young homeless people to access, retain and maintain private rental accommodation as a long-term option. FAN's Housing Support Worker – Private Rental will work across the Cities of Whitehorse, Boroondara, Monash and Manningham.

The Children's Program – Early Years funded through The Alfred Felton Charitable Bequest provides a part time early years children's worker and resources to develop an integrated children's program including brokerage and equipment for accompanying children. The scope for the program is to ensure FAN's services, office site(s), equipment, policies and interagency processes are informed by a commitment to child-centred practices and philosophy.

The Life Skills Program funded through The William Buckland Foundation, City of Whitehorse, the Rotary Club of Box Hill and The Lord Mayors Charitable Fund, offers a variety of workshop based activities for at risk young people to learn new skills in a personal development framework. Volunteer Mentors, Child Play Supervisors, Lead Tenants and the Volunteer Support Team are recruited to assist in supporting clients and accompanying children including related activities attached to the Life Skills Programs.

Volunteers will be required to commit to FAN's Service Philosophy, Core Principles and Service Objectives and align their work to the organisation's practices, protocols and strategic objectives.
