

Making it Real

Making It Real

Making it real was a statewide research project in collaboration with Melbourne University, and a range of health and youth providers, on sexual health and education processes. The research is funded by DHS, with the principle investigators Melbourne University Key Centre of Women's Health and Family Planning Victoria. Participating agencies include; FAN, Youth Substance Abuse Service (YSAS), Onemda Indigenous Health Unit, Western Region Health Centre and Adolescent Forensic Health Service - Royal Children's Hospital.
