

PROVIDING EDUCATION PATHWAYS FOR YOUNG MOTHERS

# IVCAL

A PARTNERSHIP BETWEEN FAMILY ACCESS NETWORK,  
GATEWAY LLEN AND BOX HILL INSTITUTE

IVCAL is a new and innovative approach to learning at Box Hill Tafe. Offered at foundation, intermediate and senior VCAL levels, IVCAL can be completed 100% online or as a combination of online and class time.

Specifically relevant to young parents, IVCAL can be tailored to each students needs.

The partnership provides young parents already accessing FAN's services to re-engage in an educational program in a flexible, supportive and non-traditional environment through an online model developed by Box Hill Hill Tafe.

If you are interested or want more information contact
