IN PARTNERSHIP WITH PATHWAYS TO RESILIENCE

# TALKING WITH *Pride*

Talking with Pride is an art therapy group for  
LGBTIQ+ young people aged 15-25 who  
have experienced family violence.

TWP meets on Tuesday afternoons  
in Box Hill during school terms.

Art materials and snacks are provided and you  
don't need any art making experience to join!

Group members also have the opportunity to  
access individual support.
