

# PRIDE IN PLACE

## Housing and homelessness support for LGBTQIA+ folk

A partnership between Drummond Street  
Queerspace, VincentCare, Uniting and  
Family Access Network (FAN)

We acknowledge the Traditional Owners in each of the communities where we work and pay our respects to their Elders, past and present.

# Pride in Place helps lesbian, gay, bisexual, trans and gender diverse, intersex, asexual and queer people find housing.

We support LGBTQIA+ folk who are homeless, at risk of homelessness or living in housing that is unsafe, insecure or too expensive.

We are currently operating in the Hume Moreland, Inner Western Metro, Outer Eastern Metro and Central Highlands areas of Victoria.

## What is Pride in Place?

Pride in Place provides comprehensive, safe and inclusive recovery pathways for LGBTQIA+ people who are experiencing homelessness. Pride in Place also identifies and intervenes early to direct LGBTQIA+ people who are at risk of homelessness towards a place of safety and pathway to sustainable housing. Our services include Initial Assessment and Planning, Case Management and Coordination, Peer Navigation and Service Navigation to connect LGBTQIA+ people with the services they need, when they need them.

## Practice approach:

Client agency and choice is at the centre of Pride in Place, with a focus on meeting our clients at their 'place' (wherever they feel safe and secure) and providing a flexible, whole-of-person and outcomes-based response.

## Who is eligible for Pride in Place?

Pride in Place works with individuals, couples and families who:

- Have housing and/or homelessness support needs,
- Identify as LGBTQIA+, and
- Have links to the Hume Moreland, Inner Western Metro, Outer Eastern Metro and Central Highlands areas of Victoria.

## How do I refer?
